(please make sure you provide the product name, SKU of the product, your shipping zip code (please specify if business or residential) and your email address.
- **Through our online store** - Please see below:

**IMPORTANT** – Advertised prices do not include shipping costs.

- You may request a quote by using the  button at the bottom of the page after selecting your products and quantity.
- If you need a quote for multiple products in different categories you may  your products and quantities and then use the  option from the Shopping Cart page.

- **Online at checkout** – your order will not be processed unless shipping costs have been quoted and then approved by customer. Please see below checkout process instructions:

## CHECKOUT PROCESS / SHIPPING INFO INSTRUCTIONS

Our checkout process will require you to select one of the following options under SHIPPING:

- **Quote Shipping Cost** – Please select this option if we have not provided a quote for you already. A Freight Charges email will be sent to you with the best shipping cost and upon your approval the order will be processed. We work with many different carriers to provide the fastest/cost effective shipping price to our customers. It usually takes up to an hour to provide a quote for you.
- **Shipping already quoted** – Please select this option if we already provided a quote for you. Your order will be processed after adding the quoted shipping cost.
- **Freight Collect** – Please select this option if you want your order to be shipped with your own shipping carrier partner. Please provide shipping carrier name and account number in Order Notes)

**REQUEST A QUOTE** – If you do not want to check out your order at this time, you may select Request a Quote in the shopping cart and we will provide a full detailed quote for all the products added in the Shopping Cart. We work with many different carriers to provide the fastest/cost effective shipping price to our customers. It usually takes up to an hour to provide a quote for you.
